

INVITATION TO

HERPETOLOGIA KOENIGIANA

Scientific colloquium in honour of
Prof. Dr. WOLFGANG BÖHME
for 39 years of professional work
at the Zoologisches Forschungsmuseum Alexander Koenig, Bonn

November, 20th 2010 | Museum Koenig, lecture hall

This scientific colloquium is an official part of the retirement of WOLFGANG BÖHME from his position as curator of herpetology.

With respect to our international colleagues attending the colloquium, the talks will be held in English. The program includes talks about the main topics of his scientific career and a laudation.
